Page 7: Your views on the proposal - Aim and approach

Q1. Which of the following best expresses your view of the proposal to exempt funfairs from Public Entertainment Licensing requirements and to create a distinct new licensing system for funfairs in Scotland?

Partially supportive

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Yes

Q3. What do you think would be the main advantages, if any, of the proposal?

No Response

Q4. What do you think will be the main disadvantages, if any, of the proposal?

Funfairs are purely entertainment for events & definetly should not require a license as there are many areas they cover & should not be required to have a license for any area they wish to have a funfair

Q5. What do you think the maximum time available should be for local authorities to make a decision on an application to hold a funfair?

28 days

Please explain the reasons for your response.

Gives plenty of opportunity to provide feedback

Q6. How do you think fees should be determined for local authorities to process an application?

fee must not exceed the cost of processing the application

Please explain the reasons for your response, including details of the amount of any suggested fees.

Why should there be anymore fee than an application if that is what is required

Q7. What is your view on what should happen to the fee in cases where an application is refused?

Unsure

Page 14: Financial implications

Q8. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure

Q8. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

Showpeople						
(b) Local authorities		X

Please explain the reasons for your response

If the show people have extra costs then that is going to increase costs for the public & local authorities when they wish to have them at any of their events
