Fully Supportive

Q1. Which of the following best expresses your view of the proposal to exempt funfairs from Public Entertainment Licensing requirements and to create a distinct new licensing system for funfairs in Scotland?

Please explain the reasons for your response

Will help to reduce the costs of running a fair for smaller communities and towns

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Unsure

Q3. What do you think would be the main advantages, if any, of the proposal?

Lower the costs of hosting a fair and might allow families a better chance of enjoy a local fair

Q4. What do you think will be the main disadvantages, if any, of the proposal?

Not any I can think of

Q5. What do you think the maximum time available should be for local authorities to make a decision on an application to hold a funfair?

less than 14 days (please specify)

Please explain the reasons for your response.

2 full weeks would be 10 working days for the office and that should be enough to allow the travellers to organise all the other parts required to hold a fair

Q6. How do you think fees should be determined for local authorities to process an application?

fee must not exceed the cost of processing the application

Q7. What is your view on what should happen to the fee in cases where an application is refused?

Full fee returnable to the applicant

Q8. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) Showpeople				X		
(b) Local authorities			X			
(c) General public					X	

Please explain the reasons for your response

The show people will have a cost reduced but still have other costs in holding a fair and this could be past on to the public. The local authority will have staff costs anyways so no cost difference
